Number of libraries in system:

- Central Campus LRC, Hillsboro
- Fayette Campus LRC, Washington Court House
- North Campus LRC, Wilmington
- South Campus LRC, Sardinia

Special Collections:

- Southern Ohio Genealogical Society collection (Central Campus LRC, Hillsboro)
- Appalachian Resources Center collection (South Campus LRC, Sardinia)

Name of Online Catalog for finding books, videos and other items:

- OPASS (Online Public Access at Southern State) <http://lrc.sccc.edu/search>

Where can I find magazine and journal articles on my topic?

- Do a subject search in OPASS and then click on the  icon.
- You can also click on the  icon in OPASS.

- What are some of the most popular research databases for finding articles?
 - Academic Search Premier
 - SIRS Researcher
 - CINAHL (nursing & allied health)
 - ERIC (education)

Can I access the LRC article databases from home?

- Yes, all licensed research databases are available remotely using [MyLRC](#). Authentication for off-campus access requires you to have a valid student barcode number.
- The LRC provides many services that require additional software plug-ins on your personal computer at home. Review this document to help you make your home computer 'library-ready.'
[http://www.sccc.edu/home/lrc_staff/Forms/Library%20applications%20requiring%20various%20plugins%20\(2\).pdf](http://www.sccc.edu/home/lrc_staff/Forms/Library%20applications%20requiring%20various%20plugins%20(2).pdf)

Reserves:

- Instructors may put special items on reserve in the LRC for limited use by students. You can search for items on reserve by [professor](#) or by [course name](#).
- For more information about course reserves, contact us via email at lrc@sccc.edu.

Call number system:

- [Library of Congress Classification System](#)

Computer availability:

- The LRC provides access to approximately 80 computers divided across our four campus locations.
- The LRC is an information commons area, which means staff have been trained to offer both information services and software application support to students.
- Free wireless Internet access is available for all LRC users at Central, North and South Campus who wish to use their own laptop or pocket computer. Each campus requires you to download a VPN client software program. Each campus has its own VPN client download. After you download the client software, contact the college help desk at 800.628.7722 Ext. 2800 or by email at support@sccc.edu to complete the wireless account setup. Each campus has its own VPN client download, so you must visit the URL for the specific campus you are on at the time of the download to gain access to our wireless network on that specific campus.
 - Central Campus VPN download <http://www.sccc.edu/helpdesk/cvpn.htm>
 - North Campus VPN download <http://www.sccc.edu/helpdesk/nvpn.htm>
 - South Campus VPN download <http://www.sccc.edu/helpdesk/svpn.htm>
- You may also wish to download campus print drivers if you wish to print in the LRC.

Computer printing:

- Free printing is available at all campus libraries.
- Users have access to a default HP laser printer as well as an optional HP color printer.

Photocopying procedures:

- Photocopiers are available at every campus LRC.
- Microform copiers are available at the South and Central Campus LRC.
- Photocopies are 10 cents per page.

Can I get help online?

- Email reference is available at lrc@sscc.edu.
- Chat with a librarian service at OhioLINK is available from OPASS by clicking on this icon:  or by connecting directly at <http://chat.ohiolink.edu>.
- The librarian is also available for chat assistance by appointment. Call 800.628.7722 Ext. 3580 or email lrc@sscc.edu to set up an appointment by chat.
- The librarian can also be reach on Yahoo IM chat service at *lmays45171*.

Does the LRC offer tours or orientation sessions?

- Yes, the LRC provides orientation sessions in various classes as requested by the instructor.
- Tours of any campus LRC can be set up by contacting the campus LRC manager.

Other special services:

- The Fayette Campus LRC also serves at the Fayette County One Stop Center.
- The FayetteWorks One Stop Center can be accessed at <http://www.fayetteworks.com/>.
- Services for the handicapped and disabled are available in the LRC. A variety of equipment and services can be accessed by qualified individuals. All equipment is compliant with Americans with Disabilities Act guidelines. Contact chorne@sscc.edu for more information.
- [Atomic Learning](#) – provides software tutorials using Quicktime on everything from Microsoft Office products to certain models of calculators
